Lunch and Learn Series: Aligning Your Organization for Success

In today's ultra-competitive economy, efficiency, innovation and team building play key roles in aligning your organization for success. Join fellow South OC Trojans and friends for an insightful presentation by Tom Rieger, a former senior practice expert with Gallup Inc. and author of *Breaking the Fear Barrier: How Fear Destroys Companies from the Inside Out, and What to Do About It*, which BarnesandNoble.com calls "a book that climbs out of the corporate thinking box to ask new questions and present fresh solutions."

Rieger will be introduced by Scott Hamilton, president of Executive Next Practices Forum, who has devoted more than twenty years to the successful improvement of executive and workplace performance in mid-market to Fortune 500 companies.
