

Accelerating your C-suite connections and new opportunities via the ENP Forums/Executive Workshops

EXECUTIVE NEXTPRACTICES INSTITUTE
Connect » Collaborate » Innovate

iNK has partnered with ENP Institute to bring the ultimate connection value to your event experience. We often find ourselves wondering who is going to the event? How do I connect with the right people? How do I look back at event details and “next practices” that were discussed.

iNK does not stop here... use us outside of the forums and special events for contact exchange, keeping up with your network and following up on new strategies, ideas and opportunities.

Download iNK and upload, take a pic or create your biz card

Scan another’s QR code for exchanging biz cards both ways

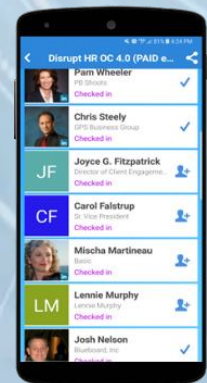

Once connected, you have many tools to help you

Find your event in the “event” tab and RSVP

Upon entering event, scan iNK QR code at check-in to interact with others

Request attendee biz cards, talk on discussion boards, always go back to events you attended
